The January 10, 2007 minutes were tabled until the March 22, 2007 meeting.

Mr. Balanoff opened the discussion regarding the Deliberative Session, stating he thought that most people seemed very positive about the proposed Budget and Warrant Articles. The other Committee Members were in agreement.

The only change made to the Budget or Warrant during the Deliberative Session was to Warrant Article #6 for the High School Roof. The change was in the rebate amount expected from Bay State Gas which was reduced to \$50,000. The Committee was in agreement not to change their recommendation for this warrant article.

The Committee Members discussed a printing problem with last years Town of Atkinson's School Ballot and they voiced a desire that the ballots be checked very carefully this year.

Mrs. Collie made a motion to adjourn the meeting at 9:15 p.m. and it was seconded by Mrs. Hess.
