Unfinished Business

a. 2005-2006 Budget – The final draft, bringing the budget to just under \$50m, was discussed by the committee. The default budget was explained and discussed. Mrs. Zerba asked the reason for an additional bus. Mr. Stokinger stated it was for the far corners of Danville and Sandown to cut down on both the numbers on the bus and the amount of time it takes to get students to school.

Mrs. Zerba expressed her concern the additional Atkinson teacher, cut from the budget, would be needed. She also brought up the fact every elementary principal expressed the importance of having a full time media specialist in their schools knowing the positions would be cut by Dr. McDonald. After a discussion by the committee:

On a motion by Mrs. O'Neil and seconded by Mrs. Zerba;

Voted: To add one media specialist and five additional days at the cost of \$49,999, plus benefits, as originally proposed. This position is not to change the bottom line of the operating budget.

Passed: Unanimously

The warrant articles for kindergarten and the upgrading of the ventilation system was discussed. Mrs. O'Neil asked for the revised copy of the warrant articles prior to the public hearing.
