

# Principal Newsletter

WOW! The weather this month has really played tricks with us with temperatures of 40 – 50 degree days and then a major blast of below freezing temps, but that’s New England!

Our students have been working very hard academically this month. After vacation grades 3, 4 and 5 will be practicing and preparing for the Smarter Balanced test which will begin towards the end of March. Mrs. Lizier will be working with students on note taking and keyboarding.

Students have enjoyed after school Jump Rope Club on Tuesdays and ninety 3rd-5th graders have had a great time skiing at Bradford on Fridays. Thank you to Ben Priest and Amanda and Eric Lueders for coordinating this program. A special thanks goes to the PTA for sponsoring the extra insurance costs and to the parents that were able to drive the overflow so everyone was able to be accommodated. Mrs. Amante and Jeff Goddard will be continuing the Let’s Get Moving Program on Friday mornings from March 4<sup>th</sup> – April 22<sup>nd</sup> from 7:45 am – 8:30 am. It is fun to watch them exercise and play games before school. Hope that your child is able to attend.

School vacation begins on February 22<sup>nd</sup> - February 26<sup>th</sup>. Enjoy and make it a safe vacation!

Thank you!

Kathie Dayotis
