## Danville Hawkes Soar for Success !

### Newsletter - January 2015

#### **Principal's Pen**

Happy New Year! Traditionally this a time when people reflect and make commitments for self-improvement. I suggest you take time to consider ways you can continue to build resiliency in your children. Your guidance is one of the key factors in helping your child to succeed in school and in life. Keep communication open by talking regularly with your child. Let them know you believe in them. Share examples from your life with things that taught you life lessons. Talk about how you dealt with challenges you faced. Teach good habits! We all have a responsibility to use our thinking skills to show we are dependable and accountable. Helping our children take ownership for themselves and their learning is a valuable lesson that will always serve them well. At school we promote students to be active learners. Children naturally want to succeed. By teaching good habits and helping children to set goals we believe we are encouraging children to be confident in themselves.

*No one can peddle the bike for you!*

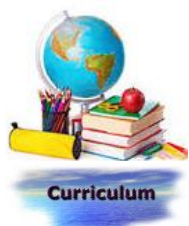

Whitsons' Executive Chef, Rich Sandmann, visited school during lunch periods in December. As part of the Elementary Chef Trek Program, students are introduced to crisp flavorful fruits and vegetables to help create healthy eating habits from a young age. The tasting showcased the versatility of apples, the December fruit of the month. The recipe served to those who wished to taste was warm cinnamon apples. It is helpful to encourage food tasting early on.

With each winter comes the possibility of inclement weather that may impact our school day. If school is canceled, you will receive a phone message from Alert Solutions. We try to send the message out by 6:00 AM, if the weather necessitates a delay or cancellation. If the day is considered a "Blizzard Bag Day" you will be notified in the phone message. Students have assignments they are expected to complete and pass in upon their return to school. Failure to complete the assignments will result in your child marked absent for the day. In the event of an unexpected early dismissal, there will also be a phone call to the numbers that you have given the school. It is very important that you keep the school updated with any changes to phone numbers. In the event of an unscheduled early release, please call the school if there will be a change

in your student's transportation or if you have questions. Weather may cause a delay in our buses. Please make sure that you have a plan in place for your child in the event that you are delayed in getting home due to poor weather. When school is canceled due to weather, evening events are also canceled.

May 2015 bring you health and happiness,

*Nancy Barcelos*

### **Assistant Principal News**

Happy New Year to all! Best wishes for a happy and healthy 2015.

The new calendar year and the recent vacation will provide a fresh start for our students as we renew and expand upon many of our common practices. Safety drills will continue with a different type of drill practiced most months. This month's drill will be "Shelter in Place". This drill requires that students and staff secure themselves within the building in response to external factors that could be environmentally unhealthy or unsafe. Extreme weather conditions (tornado) or smoke from a local large fire would be two examples of conditions when we would want to secure students in an inside location that would be the safest available.

Students will continue in the new year developing their skills taking computer based assessment tests. The results of these tests, combined with authentic in-class student

products, provide teaching staff with the information they need to better address student learning. In January the mid-year STAR Assessment Universal test will be administered to all students. The testing window is between January 7<sup>th</sup> through the 16<sup>th</sup>. Please make sure your child is well rested and timely with school arrival to ensure optimum testing conditions.

Students may report that they are doing more assessments using the computer. That is partially due to the upcoming Smarter Balanced statewide test. Smarter Balanced replaces the NECAP test administered in years past to students in grades three through five in the elementary schools. Smarter Balanced is a computer based test that adjusts the level of questioning according to the accuracy rate of the student's answers. It will provide a more individual profile of student achievement than the prior NECAP test. Taking computer based tests is a skill unto itself, thus the additional practice we are providing the students in order to increase their comfort level with the format. In addition to typical test questions the Smarter Balanced test will include specific "performance tasks" in both Mathematics and English Language Arts (ELA). This aspect of the test will allow students to demonstrate their problem solving and show their ability to combine a variety of skills to come up with an answer. We anticipate that the Smarter Balanced test will be administered statewide for the first time in March.

The new year will also see the continuation of our efforts supporting school wide positive behavior focused on "Respect + Responsibility = Pride", our Danville Elementary motto. Assemblies and recognitions of success will continue to support student success in all areas. The Danville Hawke visits occasionally to everyone's delight!

W. J. Pimley  
Assistant Principal

## **Counselor's Corner**

Happy New Year!

2014 has come and gone, and now we are starting another year filled with many new beginnings. During the month of January, students will continue to learn about ***Empathy*** and ***Compassion***. Younger students have been learning about how to identify the feelings of others through facial expressions and tone of voice, while older students have been practicing ***Perspective Taking***, by looking at situations that could make someone have an uncomfortable or comfortable feeling.

### **What is Empathy?**

*Empathy is feeling or understanding what someone else is feeling.*

*Empathy is Compassion in Action!*

### **Empathetic Thinking**

*What is his/her point of view?*

*How does he/she feel?*

*How can I help?*

*What is a kind thing to say?*

## **Practice Second Step Skills at Home: Empathy in Action!**

When you have empathy for others, you can say or do many things to show your care and concern. Read the scenarios

below and decide what you can say or do to *show compassion*. Write them down and then act them out! You can do it!

- You see your neighbor unloading bags and bags of heavy groceries from their car
- Your sister scraped her kneed on the sidewalk, and she's crying
- You see a younger child slip and fall down in front of you at school
- Your friend is sitting next to his favorite toy, and it's broken
- Your mom is setting the table for dinner, and your little brother needs help tying his shoes

Mrs. Salemi  
School Counselor

## **All About Art!**

Dear Danville Families,

The Original Works Fundraiser was a great success this year! Thank you so much to all of you that participated and I hope you are all pleased with your products!

The Kindergarten and First Graders have been working on their painting skills. They created a ferocious lion using neutral colors recently. They had to make choices of what size brush to use for large and small areas of their picture. Presently, the first graders are working on

painting snow globes and are using q-tips to paint the snowy scene.

The Second Graders are creating a Penguin using recyclable materials. They are using paper mache' to make the structure nice and strong. Later we will be painting them and decorating them! Students have already named them and are enjoying the process thoroughly!

The Third Graders learned about Australian Aboriginal Art. They are creating "dot" paintings that include Australian animals and Aboriginal symbols. They are creating the dots using q-tips and tempera paint.

The Fourth Graders finished up their Snowmen at Night. They worked on creating value in their snowmen to make them look three dimensional and added a shadow in the snow for a complete effect. They are now learning about the Incans from South America and their lost treasure. They will be creating Incan Sun God masks using tooling foil.

The Fifth Graders are working on creating a "Selfie". They are learning more about portraiture and some tricks to make it look more like themselves. Some students have decided that they wanted their selfie to have a funny expression. They are coming out so unique and fun!

#### Items Needed:

Newspaper  
Paper towel rolls  
Gift wrapping rolls  
Gift wrap  
Empty tissue boxes  
Cardboard

Thank you so much for your support of the  
Visual Arts!

Mrs. Rice 

### Physical Education

Hello Everyone!

Happy New Year! I hope that everyone had a wonderful holiday season and you were able to get out and enjoy this winter weather we have had lately. We have just finished up with our Volleyball Unit and will be starting Basketball this week! Our 4<sup>th</sup> and 5<sup>th</sup> grade students will once again have the opportunity to get outside and enjoy the outdoors during our snowshoe unit at the end of this month. Please continue to make sure that your son or daughter brings sneakers to change into for P.E. class. This will keep our nice wooden gym floor in good shape as the winter moves along. As always, if you have any comments or questions, feel free to email me and I will get back to you as soon as I can! I hope this note finds you happy and active!

-Patrick Ard  
Danville P.E.

READ ALOUD  
with Mrs. Dube

The kindergartners learned about the clothing necessary to play in the snow here at Danville Elementary School by making a book to take home with them, learned about hibernation, and helped

write a class book called, "If You Give a Kindergartner a Book" this month.

Our first graders were in awe to find out just how big some of our wild animals are when I read them "Actual Size". The following week, they made giant polar bear paw prints to bring home. They celebrated the season by creating an art project that showed the kinds of things that make their hearts grow.

The second graders wrote winter animal poems, helped me write a persuasive letter to Santa, and enjoyed educational Grinch activities to celebrate the holiday.

Third graders compared and contrasted "The Gingerbread Man" and "The Gingerbread Boy", gave the top ten reasons not to eat a gingerbread man, and enjoyed some Christmas puns....perhaps they brought some home for you to enjoy too?

Fourth graders learned about similes and wrote a snowflake simile booklet. They also participated in a drama circle, which most found to be a lot of fun!

The fifth graders continue to enjoy "Wonder". They are deeply involved in the story and some even complained when I took a break to treat

them to a drama circle during the last week before the holiday!

The Invention Convention Celebration (ICC) will see some more

changes this year. Our all school sharing of inventions will be held on Friday, February 20 (an early release day). All students at every grade level will have an opportunity to share their invention ideas whether in poster form or as a complete project including an invention model that solves a problem the child wished to solve in their own unique way. Parents and guests are invited to come and view inventions on Friday, February 20 from 9:00-11:30.

Judging will only be for grades 3, 4 and 5 this year. The judging for grades 3-5 will be held on Thursday, February 19 (no guests please; this is for judging only). Students in grades 3-5 who wish to be judged this year will need to turn in their **I Want to be Judged** form to me by a specific date. More information for grade 3-5 students will come home in Danville Delivery this month. Keep your eyes peeled for this special opportunity.

If you  
know of  
someone  
who would  
like to help

judge inventions on Thursday,  
February 19, please have them  
contact me soon.

Pictures of past enrichment days and  
events are available on the school's photo  
album at on the Danville School homepage or  
at <http://trsd.phanfare.com/ds>.

Sincerely,  
Cindy Wood, Enrichment Specialist  
[Cindy.wood@timberlane.net](mailto:Cindy.wood@timberlane.net)

**School Store**

Our next school store will be open for  
grades 2-5 on Friday, January 16. Grade 2 will be  
welcome to start attending school store.

School store will be open on the date above  
during each grade level's lunch recess time.

Students are invited to come to see  
what is available to purchase. Items range from

\$.05 to \$4.00. Students may not borrow  
money from others or ask for money from  
others. Students are encouraged to purchase  
wisely and only buy if they find something they  
need.

Generally students will not be allowed to spend  
over \$5.00 at the school store. Please remind  
your child that students are not allowed to share  
money, ask for money from others, or give their  
money away to someone else.

Some items for sale include:

Guitar pens for \$2.00  
Wallets for \$1.75  
Pop a Point pencils for \$.50  
Pencils for \$.25  
Folders (2 pocket) for \$1.00  
Animal memo pads for \$.80  
7mm Pencil led \$.75  
Koala pencil buddies for \$.75  
Polar Bear or Penguin sticky notes for \$1.75  
Plus much, much more!

**Future school store dates  
include: Feb.6 and March 13.**  
**If you are  
able to help  
at the school store  
please email Cindy  
Wood at  
[cindy.wood@timberlane.net](mailto:cindy.wood@timberlane.net). Thank you!**

### Literacy Specialist

Happy 2015! I would like to announce our top spellers from fourth and fifth grade who will be participating in the Spelling Bee on January 30, at 1:30pm. Our top fifth grade spellers are:

Paige Bickum, Lindsey Cornelius, Sarah Richman, Cole Newman, Ashlyn Lally, and Angelina Raymond.

Our top fourth grade spellers are: Brecht Shagnena, Casie Richard, Alison Henderson and Connor Tuttle.

Congratulations and may the best speller win!

We are again collecting Box Tops. We had a record amount last year and we are hoping to beat that number this year. The monies received from Box Tops have been used to buy books for the music department, videos for math instruction, spelling games and online leveled reading materials to enhance classroom instruction. *Box Tops for Education* really makes a difference in your child's education. Last year, America's schools earned over \$49 million from Box Tops.

Look for Box Tops throughout your grocery store on hundreds of participating products. Join us in our quest to collect. Each month the class with the most Box Tops collected will win a class breakfast.

Thank you for your help.

Vivian Rockwell, Literacy Specialist
