

Science Honor Society

The Science Honor Society is designed to enhance scientific literacy in those students who have demonstrated science excellence and wish to continue in a science related field. The society will serve as a platform for students to demonstrate their achievements by researching, writing papers for scholarship competitions, and serving their community.

Qualifications for candidacy:

Applicant must be enrolled (presently or for the following school year) in their 4th or more, full credit science course. They must have a science GPA of 3.7 as a result of grades in any of the following courses: 705, 707, 709, 711, 727, 727BL, 729, 731, 731BL, 733, 734, 735, 737, 742, 167, 181, 180, 186, 187, 188, 182, 183, 184, AND an overall GPA of 3.5

All members of the Science Honor Society **MUST** by the time of graduation do one of the following:

1. Prepare and conduct a project that or experiment that following the guidelines provided on SHS google classroom
OR
2. Attend a minimum of 8 hours of scientific classes and or lectures and write a brief report on the lecture(s)

The above project write-ups for seniors will be due at the end of Quarter 3. Other due dates to follow

In addition, members will be *required* to attend monthly meetings for SHS and SHS committees, and complete 30 hours of community service that is science or technology related, and attend the Induction ceremony for new members on AP Science Night.

***Seniors for the 2017-2018 year will only have to complete 15 hours.*

Only 2 excused absences from meetings (both for SHS and SHS committee’s). It is your responsibility to notify your officers and advisor that you will be absent.
