Timberlane Regional School District

Hampstead School District

March 16, 2021

Dear TRHS parents and guardians:

After completing contact tracing and consulting with NH DHHS, we have come to the recommendation that we will continue TRHS as fully remote for Thursday and Friday. That will give us 10 consecutive days between the last known positive case in the building and the date that we are bringing students back to school (the equivalent of a quarantine).

In total, we have done contact tracing on four separate groups of cases of COVID 19. Between the four situations, over thirty students and staff have had to quarantine due to either a positive test or close contact to someone who has tested positive. One group of cases stems from a non-school related wrestling tournament held in Hampton, NH on March 6 and the other three involve fewer students and staff and are unrelated.

At present, we intend to resume with in-school instruction on March 22 for all students who opted into the default model.

Thank you for your patience as we work diligently to ensure that we are providing a safe school for students and district employees.

Sincerely,

*Dr. Brian Cochran*

Interim Superintendent of Schools

*Don Woodworth*

TRHS School Principal
