Good Morning TRHS Families,

School picture day is scheduled for Monday 10/5, and Friday 10/9. To comply with social distancing guidelines and to avoid congregating, pictures will be taken outside. Each grade level will be called down to the gym at their scheduled time where students will wait in chairs spaced 6 feet apart. After your student has had their picture taken, they will return to their chair and wait to be dismissed as an entire grade back to their classes. Students will be asked to wipe their chair down before they leave, sanitizing it before the next grade arrives.

Seniors:

The senior class photo on the football field will still take place. Seniors are asked to report to the football field on their scheduled day at 9:45. On Monday 10/5, cohort 1 seniors will make the "2 & 0" and on Friday 10/9, cohort 2 seniors will make the "2 &1". All seniors will need to wear their mask for the senior class photo.

Fully Remote Students:

Fully remote students will have their picture taken at the same time as their classmates. You may come on either day, whichever works best for your family's schedule. If for some reason you cannot make the scheduled time, please contact Brenda Laycock at extension 3963. Fully remote students should go directly to the picture area outside the cafeteria without entering the building. Please remember to self-screen before coming on campus.

Should you have any further questions, please do not hesitate to reach out!
