PRINCIPAL'S CORNER

I want to take this opportunity to say thank you to the Timberlane community for a year of great accomplishment and for supporting our students and programs. We have continued to pursue a path of increased rigor and accountability while fostering a culture of compassion, community service and co-curricular involvement. The graduating class of 2015 will be remembered for academic achievement but also for the many positive programs that impacted our community.

Now it is time to turn our attention to the upcoming school year. Students, in between summer jobs, camps and vacation time, are expected to be working on their summer school work. This is key to student preparation for the challenges that lay ahead. The assigned work is representative of what students are expected to already know and do. Students who are struggling with the summer assignments can get help at the high school **Monday - Thursday** up until Tuesday **July 28th** from 8:00 am until 12:00 pm.

Administrators, summer school teachers, and administrative assistants are on hand to answer parental and student questions all summer, Monday - Thursday. Guidance counselors will be available for scheduling questions on August 17, 18 and 19 from 8:30 am - 2:30 pm.

Again, congratulations to the Class of 2015!

Have a safe and enjoyable summer vacation.

Don Woodworth

Principal

GUIDANCE NEWS

Congratulations to the graduates of the Class of 2015 and their parents! We are very proud of their accomplishments and the positive impact that they have had on our Timberlane community. We wish them the best of luck and look forward to hearing about their future successes! Final transcripts were sent out to the colleges our seniors indicated they were enrolled in on June 25th. To see a list of all of the great schools our students were accepted to this year, visit our [website](#).

AP test scores were made available on July 6th. Get ready to see your 2015 scores!

1. Sign up for a College Board account.

- Make sure to provide the same information on your account as you did on your AP answer sheet.
- If you already have an account from taking previous AP or SAT exams, try signing in to confirm.

2. Remember the following information to access your scores.

- Your College Board account username and password.
- Your AP number (from the card and/or booklet you received when testing).

3. Also look for an email in early July reminding you how and when to access your scores.

We encourage all rising seniors to continue to prepare themselves for the college application process. Summer is a great time to put the finishing touches on college essays and to prep for the SAT and ACT tests. Students can sign up now for SAT testing through the College Board at www.collegeboard.com or ACTs at www.actstudent.org. Summer is also a great time to use their Naviance accounts to research and keep track of schools they would like to pursue and is also a great time to visit college campuses.

Our annual College Fair will be held after we return to school on September 14 and 15th for our junior and senior classes.

Student's fall course schedules will be mailed out the last week of July. Counselors will be available in the Guidance Office on August 17, 18, and 19th on a first come, first serve basis from 8:30am - 2:30pm to discuss possible schedule changes.

A reminder that [summer assignments](#) required for fall semester courses are due by Friday, August 28, 2015. Assignments are available on the website.

Freshmen Orientation will be held on Monday, August 24th beginning promptly at 6:00pm in the Performing Arts Center. Students and their parents should arrive a few minutes early to pick up their orientation packet. After a brief meeting in the PAC, students and their parents will be dismissed to follow their fall schedule through the high school. Each period will meet for ten (10) minutes for a brief introduction to the teacher and the course expectations. A Transfer Student Orientation will be held the very same evening for any student new to TRHS that will be entering grades 10 - 12. It will begin at 6:30pm in the Guidance Office.

We wish you all a fun, safe summer!
