## PRINCIPAL'S CORNER

After several weeks of relative stillness in our building, the halls and classrooms are again alive with the voices of our students. I am pleased to report that our new school year has kicked off smoothly; our students are digging in academically, teachers are establishing their classroom routines, and our extra-curricular activities are beginning to meet and create future plans for events.

The Facilities team's hard work over the summer has paid dividends. New facility features have been completed that I am sure will be appreciated by visitors, staff, students, and parents alike. Our school's front office reception area has been redesigned to be more attractive and efficient, and the principal's office has been moved to the front corner where the 100 and 400 hallways intersect. A new press box has also been constructed for the high school track and football field.

Last week, each class had the opportunity to meet their assistant principals and advisors to share information about the expectations and events that are on our doorstep. Throughout this week and into the next, we are sending freshmen to the Adventurelore Academy in Danville for team building experiences. This coming Monday and Tuesday we will be hosting our third annual college fair for Juniors and Seniors. A list of attending colleges can be found on page three of this newsletter, with the Guidance website offering the most up-to-date information. Nearing the end of September our school will be celebrating our athletic teams launching in to fall competitions with our annual Spirit Week. Each day's festivities are outlined in the TRHS Forecast to the right.

September is also Childhood Cancer Awareness Month and our Project Hope club is hosting an awareness event and fundraiser today, **Friday, September 11**, during both the school day and the football game against Londonderry High School. Childhood Cancer Awareness t-shirts, additional clothing items, and raffle tickets will be sold for a grand prize drawing on September 18, for three Patriots Football tickets that will benefit the Smiles for Cole Fund through the St. Baldrick's Foundation.

I am excited for the year to progress and look forward to another successful year at Timberlane Regional High School. If there is anything that I, or our administrative team, teaching faculty, or support staff can do to help or answer questions, please call the high school and we will do our best to serve your needs.

Don Woodworth  
Principal

## A Warm Welcome

### **GUIDANCE DEPARTMENT NEWS**

The Guidance Department looks forward to a busy September. The 3rd Annual Timberlane College Fair will host 122, two and four-year colleges, technical schools, and branches of the military. All will be represented over a two day period on September 14th and 15th. Juniors and Seniors will have an opportunity to interact one on one with college representatives to discuss admissions requirements, program offerings, financial aid, and scholarship opportunities.

Guidance counselors will be meeting with our new freshmen in small groups for Freshmen Transition Meetings. They will reintroduce students to their guidance counselor, check in on their transition to high school, and ensure that students are aware of and are accessing resources that are available to them.

Counselors will also be holding Senior Seminars with small groups of seniors to discuss post-secondary planning and review the college application process. Following these meetings they will begin meeting one on one with seniors to check on each senior's progress. **Senior Parent Night** will be held Tuesday, October 6th, at 6:30 pm to review the college application process with parents.

Coming in early October Seniors will also have the opportunity to work on their common app during one of our Common App Drop-In Work Sessions A counselor will be on hand to answer any questions while students work to complete their application. Students are welcome to attend as many sessions as needed. A schedule of sessions will be sent to seniors and will be posted on the website at the end of September.

### **FROM THE DESK OF THE 2015-16 PTSA**

It was so nice greeting staff on their first day back to campus in August. Our team is excited and hopeful for a strong partnership. We look forward to listening and executing ideas for continuing Timberlane's reputation as a top notch school.

As a reminder, our first meeting is **Tuesday, September 22**, at 7:00 pm in room 104. We hope to see you and meet new people as well. All are welcome and encouraged to attend.

Stay connected and join our Facebook page: TRHS PTSA.

Becoming a PTSA member is easy and fun! You control how often you attend meetings, lend a hand, and stay involved. We welcome your ideas and thoughts on improving our school and opportunities for our children. Help make our members drive a success by joining the PTSA today. We appreciate your support.

## TRHS to Host College Fair on September 14 and 15th for Junior and Senior Students

One of the biggest decisions a student will make in high school is determining their post secondary plan. It is our hope that by inviting these representatives to TRHS we are adding another layer of awareness to our post secondary planning process. Over 100 Colleges and Universities are expected to participate in the program during the two day period. Junior and Senior students will attend both dates to meet with different college admissions officers as well as representatives from the branches of the United States Military. The Guidance Department will be providing students with a list of potential questions to ask.

Although parking will be limited, we would like to invite junior and senior parents to attend if they can make it. TRHS is partnering with Bishop Guertin High School who holds their fair on the same days. Our fair will be held in the morning to accommodate representatives who will be attending the Bishop Guertin College Fair in the afternoon. College representatives are eager to speak with students and their parents about offerings within their campuses. This is an opportunity to interact one on one with admissions representatives to discuss admissions requirements, program offerings, financial aid and scholarship options.
