

Attention 8<sup>th</sup> and 9th-grade girls! Please consider registering for the November 9th “STEMspiration” event. This event will allow you to meet and speak with Women in various STEM careers. The goal of this opportunity is to inspire you to plan and pursue the strong STEM courses/clubs we offer and to open your mind to the many STEM careers a strong STEM education can afford you.

Registration will be open through this website starting Monday, October 22 at 8 AM and will close on Thursday, November 1 at 2 PM. Attendance for this event will be first come first serve. Please contact your Science or Math teacher, Mrs. Grimm, or Mrs. Paul in the tech office for more information.
