

TRMS SKI CLUB 2020

SKI CLUB DATES:

February 14th, 21st & March 6th, 13th, 20th

TRMS Ski Club Coordinators: Coral Hampe coral.hampe@timberlane.net,
Daniel Walker daniel.walker@timberlane.net Adam Sullivan adam.sullivan@timberlane.net

Online Registration for Skiers and Snowboarders begins at 6:00am on **Friday, November 1st, 2019** and continues until **November 15th, 2019**. Timberlane Ski Club can transport **110** students to Pat's Peak. Membership will be on a **first come, first serve** basis for the first **110** students who register. Follow these steps to register:

Step 1: Starting on November 1st, 2019;

↳ Go to www.patspeak.com/LTSR

↳ Access code: **timberlanemiddle2020**

Register online for lift tickets, lessons, equipment, and café cards. You will pay Pat's Peak through directions on the website. ***Important Note: Every student must wear a helmet when participating in the program. Helmets may be rented online and at Pat's Peak.**

Step 2: Print out a copy of the Online Registration receipt and attach a check or money order for **\$75** for the transportation fee payable to: **TRMS Ski Club**. Write child's name on the check.

Step 3: Have your child pass **check** into the main office or to Mrs. Hampe, Mr. Walker or Mr. Sullivan at school. **This payment must be received by Wednesday, November 20th, 2019 to be eligible for Ski Club.**

*Pat's Peak does not offer a refund once you are registered. Please keep that in mind if you are trying out for a sport or getting new equipment before we begin.

New ending time: We will now leave Pat's Peak at 8:30, instead of 8:00. This will bring us back to school at 9:45pm. We hope the kids enjoy the extra time.

2020 Bus Information:

Scheduling Coach buses for every week was not possible this year due to their previous bookings. We will ride the Coach buses on February 14 and March 13 & 20. For the other two dates, we have booked buses from First Student. This has allowed the bus fee to drop for this year to \$75. In addition, we are taking two buses this year, therefore there is only room for 110 students. Thank you for your understanding.
