Welcome Class of 2034!

The Timberlane Regional School District is committed to the development of skills in the core areas of English Language Arts, Mathematics, Science, Social Studies, and Social Emotional Learning. Our teachers administer programming based on TRSD aligned PK-12 curriculum. Highly qualified teachers employ age appropriate methodologies and activities that highlight hands-on, discovery learning and active engagement.

Grade 1 is offered to children in Atkinson, Danville, Plaistow and Sandown who are 6 years of age by September 30, 2022.

To be eligible for this program, students must have been born between October 1, 2015 and September 30, 2016.

Families new to the district, or enrolling students not currently attending district schools, please go to <http://www.timberlane.net/> and click the New Student Enrollment icon on the right hand side to be navigated to the TRSD enrollment page.

Please note step 2, which outlines the physical documents required to finalize the enrollment process. These documents can be brought to the school on Parent Night, or another time of your convenience.

Register Now!

Enrolling early helps us plan appropriately for staffing, we appreciate your support in providing registration information this spring, if possible.

Please contact your home school for any additional information.
