

Dear Parents, Guardians and Students,

For the first time since 2000, all our students in Grades 1 – 5 will be in the same building, learning and celebrating together. We are excited about all the possibilities, and aware that there will be some challenges. We are really looking forward to this year of learning together. With the continued support of our parents and community members, our children will have the opportunity to learn and grow in a respectful environment.

This Parent and Student Handbook is designed to keep you informed about school rules, procedures and policies. It includes our school calendar, staff list, and other important information.

Included with each student's registration materials is a ***transmittal form for parents and student to sign, acknowledging that you have reviewed the Handbook together***. Please take time to do this! Please feel free to contact me with questions or suggestions.

The Timberlane Regional School District Rights and Responsibilities information, formerly called the Code of Discipline is also on-line. Please note that there is important information in BOTH handbooks. Parents are valued members of our educational team. We urge you to become involved in your child's education.

We welcome your communication and input. Our working together will ensure the best possible education for your child. Best wishes for a great year!

Cordially,  
Jo-Ann K. Georgian
