**ASBESTOS MANAGEMENT PLAN
ANNUAL NOTIFICATION OF AVAILABILITY**

Attention: Parents/Guardians, Students, Faculty, Staff, and Building occupants of Timberlane Regional School District.

In accordance with the EPA Asbestos Emergency Response Act, 40 CFR 763 Subpart E (AHERA), the Timberlane Regional School District Asbestos Plan Manager/Director of Plant Operations, is required to notify annually of our asbestos management plan and continued inspections of asbestos containing materials.

This notice serves to fulfill annual notification requirements in accordance with section 763.93 of the Asbestos Emergency Response Act (AHERA). AHERA requires that all school buildings be visually inspected by accredited inspectors to identify all asbestos-containing materials (ACBM) that may be present in the school environment, As required under AHERA, The Toimberlane Regional School District must maintain an Asbestos Management plan (AMP) and keep the AMP on file at the office of the Director of Plant Operations. The AMP ios available for view during school hours Monday through Friday.

The AHERA rule mandates that periodic surveillance is done to ensure the safety, and assess the condition of, any known asbestos in school facilities. The inspection reports and documentation are maintained in the Timberlane Regional School District Asbestos Management Plans for each individual school.

The Management Plans are available for public inspection in the Facilities Office at Timberlane Regional High School, 36 Greenough Road, Plaistow, NH.

Please contact the Asbestos Local Education Agency Designated Person, Karl Ingoldsby, Director of Plant Operations, Timberlane Regional School District, 30 Greenough Rd, Plaistow, NH, 03865, (603)382-6541 x:3350, if you have any questions or concerns.

Sincerely,

Karl Ingoldsby
