Things to know about Transportation 2019-2020

Dear Parents and Students,

There are some new and exciting changes in bus transportation happening this year that we want you to be aware of.

For ALL SCHOOLS

- **FIRST VIEW APP:** You will be able to sign up and track the bus this year. Please look for this information listed on the transportation page. It will tell you how to download the app and sign up!
- Use Web Query on school or district web page to find bus stop information. Follow directions on how to enter your address.

HIGH SCHOOL & MIDDLE SCHOOL

- **All routes have change this year!** It is important to check Web Query
- Many buses will have high school students riding with middle school students. These “hybrid” routes were approved by the TRSB to roll out this year to help improve ridership time on buses.
- Most stops that you look up will have MS (middle school), HS (high school) or both MS/HS which indicates there are students from BOTH schools riding the bus and most likely sharing the same stop.

HERE IS A LIST OF BUSES FOR EACH SCHOOL by town indicating which schools they will serve. Not all stops will be for both schools. Only those with MS, HS or MS/HS listed on the **stop information** in Web Query will apply.

HIGH SCHOOL ONLY BUSES: Atkinson 106, 117; Danville 108, 127; Plaistow 100, 104, 124; Sandown 119, 128, 132

MIDDLE SCHOOL & HIGH SCHOOL BUSES: Atkinson 103, 107, 118, 126; Danville 109, 120, 131, 135; Plaistow 102, 123; Sandown 110, 114, 116, 137, 138
