

Dear Parents:

In continued partnership with our transportation provider, First Student, Timberlane Regional School District has launched FirstView[®], a bus tracking and parent communications app for your smartphone or desktop. We want you to have the opportunity to familiarize yourself with the app. It will be shut down after the last day of school and you will be able to reload information when the next school year starts.

- **Live Tracking**

The FirstView[®] map screen shows you the live location and direction of your student's bus, your student's stop schedule for the current day and timestamps for school arrivals and departures. You'll know when the bus gets to school in the morning and leaves in the afternoon!

- **Predictive Stop Arrival Times**

Analyzing route and real-time GPS data, it determines an estimated time of arrival to your stop provided on the FirstView[®] map.

- **Custom Alerts and Messages**

Set up push or email notifications alerting you when your student's bus is a chosen distance or number of minutes away from your stop.

- **Multi-Stop View**

Buses for all your students can be tracked with FirstView[®]. Using individual colors for each student, every selected stop appears on the map simultaneously for easy viewing.

- **Additional User Notifications**

Connect up to three additional email accounts to receive email alerts. This is a great feature for grandparents or caregivers!

- **Available in French & Spanish**

- **Secure and Easy Access**

FirstView[®] requires a password-protected account for app set-up. This way, only you can view your student's stop!

- **Dedicated Customer Support**

We are here to help you. Whether you are having trouble getting started with FirstView[®], not seeing correct data or have an idea to make FirstView[®] better, we want to hear from you!
