

The Timberlane Regional School District is committed to ensuring the safety and the health of our students. As part of that effort, and in order to continue adjusting to our new Remote Learning environment, we are conducting a survey to evaluate food assistance needs the students may be experiencing. The survey, which will be kept confidential, will tell us if there is a need to provide meals for students. To access the survey please follow this link.

<https://forms.gle/JHsjLNSsXBUB4JMt5>

If you are unable or have any issues accessing the survey, please call our dedicated confidential line at **603-382-6119 x2255** and leave your students name, the school your child attends and your phone number.

We appreciate your help and patience throughout this process.
