**Online Learning/Blizzard Bag Day**  
**Frequently Asked Questions for Elementary Parents**  
**Revised September 2019**

**1. What is an Online Learning/Blizzard Bag Day?**

Online Learning/Blizzard Bag Day is a “snow” day during which students will work at home on online instruction and assignments provided by their teachers.

**2. Will every snow day be an Online Learning/Blizzard Bag Day?**

No. There will be some traditional snow days. The NH Department of Education has approved Timberlane’s Online Learning/Blizzard Bag Day plan for a maximum of five days. An Online Learning/Blizzard Bag Day will not be scheduled when a large-scale power outage may occur.

**3. How will I know if it is an Online Learning/Blizzard Bag Day or just a No School Day?**

The decision will be made by the SAU if an inclement weather day is a No School Day or an Online Learning/Blizzard Bag Day. Parents will be notified through School Messenger (the district’s emergency notification system).

**4. How will my child receive instruction or lessons?**

K-2: Instruction and lessons for reading, math, and specials will be provided through a pre-approved take-home copy. Blizzard Bag lessons will be sent home in advance of Blizzard Bag days. In October, a folder containing the 1st and 2nd Blizzard Bag lessons will be sent home in advance of a Blizzard Bag day. The lessons will only be used when a Blizzard Bag day has been decided by the district. Teachers will be available via e-mail from 10:00am-2: 00 pm to answer any questions.

3-5: Instruction and lessons for reading, math, and specials will be provided through your child’s Google Apps for Education Account. All teachers in grades 3-5 will be using Google Classroom.

Students in grades 3-5 will have lessons assigned to them which they will complete online and submit to their teachers. Teachers will be available online during the 10:00am-2:00 pm window. Teachers will respond with feedback, questions, or comments, and students can continue working. When students complete the lesson, they submit the lesson to be graded by their teacher. Students may work online at other times during the day, but teachers are only available from 10:00 - 2:00 for immediate feedback.

During the lessons, students can log on and off as needed. It is not expected nor required for them to stay at the computer during the window of time. Documents on Google Classroom save automatically, so students do not need to worry about unsaved work. There is no need to save the documents in another program to complete the assignments. If you also have a Gmail account, please sign out of your account and have your child sign in. Your child must be signed in to their school Google account in order to access all online lessons.
