Dear Parents and Guardians,

This message is to inform you of a district-wide policy that has been updated and renewed.

Students are no longer allowed to charge any a la carte items to their school lunch account if they have school lunch debt. Whitsons' School Nutrition Program has been providing free breakfast and lunch to all Timberlane students since the start of the pandemic and will continue to do so. Any items outside of a reimbursable school meal must be paid for with a positive school lunch account balance, cash, or check. These items include water, milk (purchased without a lunch), and snacks.

If you have any questions regarding your student's school lunch account the food service department can be contacted by email at [Mayra.Maldonado@timberlane.net](mailto:Mayra.Maldonado@timberlane.net) or by phone at 603-382-6541 ext 3352.

Sincerely,

Mayra Maldonado

Food Service Director
