Greetings Timberlane Regional School District Community,

I am writing to remind you of some of our safety protocols, as well as to provide you with some information regarding school bus safety. Please recognize that the Timberlane Regional School District continues to require that all students, staff and visitors to our schools wear masks when entering any of our buildings. Moreover, as mandated by the CDC, all riders on school buses must wear masks for the duration of their ride.

As many of you know, we have experienced bus accidents in the past. Consequently, we ask that families discuss school bus safety with their children. Attached please find the First Student Newsletter for your family to review. Also, please click on the link below to review our message regarding safety protocols.

We thank you for your cooperation and support.

Be well,
