**ELEMENTARY SPANISH ENRICHMENT PROGRAM 2017!**

## Sandown North and Pollard

This fun, hands on camp focuses on enrichment and is a great opportunity for the students to play games, sing songs, dance, and create art projects all while using the language and vocabulary they learned in Spanish throughout the year. This will give students a chance to retain what they learned while having fun! The camp does not focus on academics, but will be more of a "cultural experience".
