

## TRSD ADMINISTRATIVE STAFF ANNOUNCEMENT

Interim Superintendent Dr. Brian Cochrane and the Timberlane Regional School Board announce the following administrative appointment:

### **Danville Elementary School Principal**

#### **Mr. Christopher Snyder**

We are pleased to announce the return of a familiar face to the Timberlane Regional School District. Mr. Chris Snyder has been nominated Danville School Principal beginning July 1, 2021. Mr. Snyder previously served as assistant principal at Atkinson Academy from 2008-2014 before advancing to building principalships in both Dracut, MA and Kingston, NH. Highlights of his qualifications as educational leader for the past 13 years include expertise in the areas of establishing professional learning communities, teacher supervision, program evaluation, staff development, technology integration, competency-based education, social/emotional learning, and performance assessment. In addition to his educational leadership talents, he serves as adjunct professor at Southern New Hampshire University.

Mr. Snyder's education credentials include a Bachelor of Arts from Lincoln Christian College, and Master of Education (Elementary Education) and Educational Specialist (Educational Administration) degrees from the University of New Hampshire.

*I began my school leadership career in the Timberlane Regional School District and I am very excited to return to serve as the new principal of Danville Elementary School. I look forward to getting to know the staff, students, and community and hope to begin making connections right away. – Chris Snyder*

*The school board and I recognize the importance of consistent and strong leadership in the Danville School community, as this community has seen a number of leadership changes over the past few years. As such, I strongly believe Principal Snyder will provide the supports necessary to foster a positive school climate that ensures opportunities for students to succeed both in and out of the classroom. Additionally, I have every confidence he will implement strategies that will empower our educators to perfect their craft of teaching and learning. – Dr. Brian Cochrane, Interim Superintendent of Schools*
