

EAGLE SCOUT PROJECTS

TIMBERLANE REGIONAL SCHOOL DISTRICT

The purpose of this report is to catalogue Eagle Scout projects within the Timberlane Regional School District.

It is important to note the school district is honored to count its Eagle Scouts as valued members of the student population. Their designation as Eagle Scout, the highest advancement rank in Scouting is evident of their desire to set and meet the high standards as set forth in achieving this distinction. Such success requires patience, hard work and perseverance, all exceptional characteristics of being a positive role model to the many students they interact with on a daily basis.

This document will be updated on a regular basis and will begin with most recent acknowledgements.
