

Timberlane Regional School District
Food Service Request for Proposal Question & Answer #1

This Question & Answer #1 is issued in related to the Timberlane School District (the "District") Food Service Management Company ("FSMC") Request for Proposal ("RFP") due May 1, 2017. Questions submitted by Food Service Vendors are responded to below

4/20/2017

Sandown Central

Q: Are all students who attend Sandown Central able to order meals through the food service program if they choose to? Please provide a description of the ordering system currently in place to communicate orders from Sandown Central to Sandown North for preparation and delivery.

A: Many students participate in half day programs at Sandown Central. Full day students can order. Orders are placed weekly and communicated to Sandown North on a weekly basis.

Q: Who employs the driver and what is their rate of pay? Is the vehicle they drive a district expense or to be calculated into our expenses? Please provide a description of how meals are currently delivered from Sandown North to Sandown Central. Please specify if the FSMC is to bear the full expense of transporting meals or if there are any costs currently borne outside of the program (fuel, vehicle maintenance, etc.).

A: A District employee delivers and serves (1 serving time) to Sandown Central. The employee uses their own vehicle and is compensated mileage, which the FSMC pays and includes in monthly District billings.

Q: Please provide the age ranges for children participating in the TLC program at Sandown Central.

A: Kindergarten and Pre-K students, ages 3-5, with participation most by full day Kindergarten.

Q: Are meal benefit applications processed for all students attending programs at Sandown Central?

A: Meal benefit applications are processed through the District office and are processed consistently throughout the District.

Timberlane High School/Middle School

Q: Please provide information on any mid-morning break periods or other times where students could possibly access the food service program outside of the breakfast and lunch serving times included in the RFP.

A: There are no breaks currently available between breakfast and lunch and the cafeteria is not open during those times.

Q: Please verify that all vending machines in areas accessible to students are operated by the food service program.

A: Cafeteria vending machines are managed and operated by the FSMC.

Q: Please verify that all equipment at the high school and middle school is owned by the school district. Elementary Schools. Does the current provider own any kitchen equipment?

A: All equipment at the schools is owned by the District, with the exception of certain milk coolers. No equipment is owned by the current provider.

Q: Please specify whether the cafeteria at each elementary school is a dedicated space (i.e., not used for gym class or other regularly scheduled activity during the school day) or a multipurpose room.

A: Cafeteria spaces are dedicated in some schools, in other schools, they are used for after school activities. In all schools, tables are retracted after lunch, floors are cleaned, and the tables redeployed by custodial staff daily.

Q: Please provide equipment lists for the elementary schools we were not able to visit during the tour: Danville Elementary, Pollard Elementary and Sandown North Elementary.

A: Photos are available upon request and have been sent directly to vendors who attended our Food Service Open House.

Q: Are any of the elementary schools currently serving breakfast in the classroom and/or making breakfast available during morning break times?

A: Cafeterias are open for breakfast. Breakfasts are not served in classrooms.

Financial Questions

Q: District labor information was included in the RFP, including FY 17-18 rates and estimated FY 17-18 benefit costs. Are there any other costs that we should include when preparing our Schedule E, or are bidders expected to use the annual extension of hourly rates plus the total benefit cost to generate a district labor cost? The goal of this question is to ascertain how all prospective bidders will be able to generate the same district labor expense for inclusion in Schedule E.

A: Estimated labor and benefits costs were provided as projected for next year. All District costs should be reflected as estimated.

Q: Could you please provide a Profit & Loss statement for the Food Service Program for the 2015-16 school year?

A: District Administration is seeking bottom up projections. Disclosure of financial information as part of the RFP could influence bidder responses which should be based on bottom up projections.

Q: Please provide a copy of the commodities order that has been placed for School Year 2017-18.

A: The Commodities order is below, and begins on the page which starts with "Confirmation of Receipt".

Personnel Management

Q: Please provide detail of any formal procedures that are in place to guide FSMC managers in supervising school district employees.

A: Timberlane School Board Policy G addresses district personnel practices.

General Questions

Q: Your Wellness Policy makes reference to Appendix JCLF-R for additional information on Wellness Procedures in the district. Please provide a copy of Appendix JCLF-R if available.

A: See below.

Q: Please provide meeting minutes from the Food Service Advisory Committee or any other committee that provides student & community feedback to the FSMC.

A: See below.

Q: Please provide a description of how service to students with negative balances is handled. Please also provide any written procedures or other guidance that supports the charge policy.

A: District Policy DO and Procedure DO-R articulate District Meal Balance policies and procedures. In practice, our FSMC Director sends periodic emails (as often as twice a week) to parents addressing negative account balances. Returned emails are followed up on to obtain accurate email addresses to update our school master file. Notes are sent in cases where email is not available. School Principals receive lists from the FSMC Director for negative accounts which are not cured. Where negative balances exceed \$20, no ala carte is allowed. At the High School, no meal charging at all is allowed where negative balances have reach \$20 and this is strictly enforced. In cases where negative meal accounts are not addressed, principals inform parents prior to suspension of all meal charging at the Middle and Elementary level schools.

Q: Does Timberlane participate in any of the following programs? If so and they are to be included in the bidding process, please provide additional information.

- Summer meal programs: No.

- Snack program: No.

- FFVP program: No.

- Dinner program: No.

Q: Are high school students allowed to eat off campus? Do students participate in activities such as attend a vocational school that keeps them from utilizing the cafeteria?

A: Students are not allowed to leave campus generally. Some students participate in CTE programs off-campus, some students are off campus for other program specific reasons. Students are otherwise not permitted to leave.

Q: Do all schools have fully operational kitchens aside from the satellite location?

A: Yes.

Q: Are any meals served in the classroom?

A: No.

WELLNESS

Food Sales: All food items available through schools and school functions should meet or exceed nutritional standards established by the NH Healthy School Best Coalition.

Elementary Schools: The school food service program will approve and provide all food and beverage sales to students in elementary schools. Foods in elementary schools should be sold as balanced meals.

Middle/Junior High and High Schools: In middle/junior high and high schools, all foods and beverages sold individually outside the reimbursable school meal programs (including those sold through a la carte [snack] lines, vending machines, school stores, concessions, fundraising, etc.) to students during the school day, will meet the following nutrition and portion size standards:

Beverages: Beverages sold on school property include: plain bottled water, low fat or skim milk, 100% fruit juices, 100% vegetable juice, light juice, low-fat or fat free chocolate milk (trivial amount of caffeine).

Beverages not sold on school property include: soda, caffeinated drinks (coffee, hot chocolate, ice tea, and sodas), sports drinks, lemonade, and punch.

Foods: Any item sold individually:

- Shall meet or exceed nutritional guidelines established by the USDA and NH Healthy School Coalition Best Practices Health Snack Coalition
- Shall have no more than 35% of its calories from fat (excluding nuts, seeds, peanut butter, and other nut butters) and 10% of its calories from saturated and trans fat combined;
- Shall have no more than 35% of its *weight* from added sugars;
- Shall contain no more than 230 mg of sodium per serving for chips, cereals, crackers, French fries, baked goods, and other snack items; will contain no more than 480 mg of sodium per serving for pastas, meats, and soups;
- Shall contain no more than 600 mg of sodium for pizza, sandwiches, and main dishes.
- A choice of at least two fruits and/or non-fried vegetables shall be offered for sale at any location on the school site where foods are sold. Such items could include, but are not limited to, fresh fruits and vegetables; 100% fruit or vegetable juice; fruit-based drinks that are at least 50% fruit juice and that do not contain additional caloric sweeteners; cooked, dried, or canned fruits (canned in fruit juice or light syrup); and cooked, dried, or canned vegetables (that meet the above fat and sodium guidelines).

Portion Sizes: Limit portion sizes of foods and beverages sold individually to those listed below:

Timberlane Regional School District	Procedure Code: JLCF-R
Adopted: 01-20-11	Page 2 of 2

- One and one-quarter ounces for chips, crackers, popcorn, cereal, trail mix, nuts, seeds, dried fruit, or jerky;
- One ounce for cookies;
- Two ounces for cereal bars, granola bars, pastries, muffins, doughnuts, bagels, and other bakery items;
- Four fluid ounces for frozen desserts, including, but not limited to, low-fat or fat-free ice cream;
- Eight ounces for non-frozen yogurt;
- Twelve fluid ounces for beverages, excluding water; and
- The portion size of a la carte entrees and side dishes, including potatoes, will not be greater than the size of comparable portions offered as part of school meals. Fruits and non-fried vegetables are exempt from portion-size limits.

Food Service Advisory Meeting on December 8th

In Attendance J Fratiello, D Water, D Rose, K Lucier, S Morris, S Smith, C Culligan, H Roy, B Shawley, C Mrowka, N Stafford

Discussion on Student Lunch Balances

Points that All members agreed on

- There should be No Charging for any A La Carte Items
- The High School is strictly enforcing the Policy and It is working (Only change would be to eliminate charging a la carte items.)
- Info. Snap should include a lunch application with a check off and signature box if the parent is not interested in applying for Free or Reduced Meals. Also, include a legal sign off that the parent is responsible for meal debt.
- Procedure should be developed to deal with the students with Large debt (over \$100) currently 127 students. These 127 student account for a vast majority of the debt. Suggestions include Calls, registered letter from the SAU Business office and more individually cutting off Students. Using Debt Collection Agency. The above procedures should start sooner before large debt accumulates.
- More Communication at the beginning of the school year on the Policy and the steps the Parents should expect if their Student has a high negative balance.

Points with no consensus

- Use of alternative meals for Elementary & Middle School Student who exceed the negative \$20 limit. Many feel that the student is being punished for the Parents failings.

Next Meeting February 9th 2017

Timberlane Regional School District Minutes

FOOD SERVICE ADVISORY COMMITTEE MEETING

MINUTES TRANSCRIBED BY:

LOCATION: TIMBERLANE HIGH

MEETING DATE: 10 13 2016

FACILITATOR John Fratiello and Deb Waters

ATTENDEES John Fratiello, Deb Waters, Deb Rose, Kristen Lucier, Claire Culligan, Nancy Stafford, Brain Shawley

Agenda Topics

TOPIC	Bar Codes on ID's At the High School		
DISCUSSION			
The School Id's will be distributed on Oct. 26 th . The Bar Codes will be used in the Cafeteria and Library. We will update how they are working out at our next meeting.			
CONCLUSION/MOTION			
ACTION REQUIRED		PERSON RESPONSIBLE	DEADLINE

TOPIC	District Charge Policy		
DISCUSSION			
Discussed the Districts Charge Policy and how it is implemented at each of our schools. Members will reach out to other districts and see what policy they use and what procedures they follow. For our next meeting we will begin to come to a consensus on what specific procedures should be implimented when handling student that have reached the charge limit.			
CONCLUSION/MOTION			
ACTION REQUIRED		PERSON RESPONSIBLE	DEADLINE

Timberlane Regional School District	Policy Code: DO
Adopted: 06-18-09 Amended: 01-09-14	Page 1 of 2

FOOD SERVICE MEAL ACCOUNT BALANCES

The district encourages all parents/guardians provide a healthy breakfast and lunch for their student/s. The district provides the opportunity to purchase breakfast and lunch that meets or exceeds the federal nutrition standards from the school cafeteria. The student lunch account remains with the student throughout his/her time with the Timberlane Regional School District.

Payment is expected no later than when the meal is served and can be made by using the online payment system that is available on the district website. Fees associated with the use of this online system shall be borne by the depositor. Meals may also be paid for at the time of purchase with cash or personal check.

Federal assistance is available through the Free and Reduced Priced Meals Program to any family that qualifies. The district requires all families to return this application at the beginning of each school year. The "Free and Reduced Price School Meals Family Application" is available both on the district/school websites and at each school and can be submitted during the school year if financial circumstances change. The applications are reviewed at the district central office based on federal guidelines, and families are notified by mail of the results.

It is the opinion of this district that financial hardships will happen and will need to be addressed on a case-by-case basis before other actions are instituted to see if other acceptable resolutions can be arranged. Parents/guardians who refuse to communicate with district officials regarding their student's negative meal balance will be subject to full prosecution.

Additionally, it is the opinion of this district that children who are not provided with a bagged lunch from home or the funds to purchase a lunch at school, on a regular basis, constitutes child neglect and may be reported to the appropriate child welfare authorities.

Collection of Negative Meal Account Balances

Effective February 1, 2014 negative meal account balances will not be allowed.* Food service debt must be recovered annually. The district has an obligation to taxpayers to ensure that students do not have a negative lunch balance at the end of the school year. The district will take all necessary steps to prevent and collect negative lunch balances. Policy DO/EFA – R outlines the procedure that is followed to collect a student's account balance that is negative. In the event that a student's meal account is in the negative, and attempts to recover the bad debt from the parent or guardian is unsuccessful, the district may use the following actions to collect the bad debt. Actions include but are not limited to: prohibiting the student from purchasing meals, or extra a la carte items, prohibiting a student from participating in graduation activities, withholding a student's diploma, hiring

Timberlane Regional School District	Policy Code: DO
Adopted: 06-18-09 Amended: 01-09-14	Page 2 of 2

a collection agency, setting up a payment plan, and using small claims court to collect the bad debt.

Positive Meal Account Balances

Any student accounts with positive balances at the end of the school year will be automatically carried over to the next school year. If requested, the balances will be refunded to the account owner. Students who have graduated or have left the district will have account balances refunded to the account owner at the building level or transferred to another student account at the request of the account owner.

Student with Documented Dietary Needs

Nothing in this policy prohibits providing a meal to a student with dietary needs such as, but not limited to, diabetes, as documented through a health plan, Sec 504, or in an IEP. If the meal is medically required, and the student has a negative balance, or does not have cash to purchase the meal, the necessary dietary needs will be met.

Staff Account Balances

The district provides the opportunity for staff to purchase meals from the school cafeteria. Staff may pay per meal or establish a prepaid account, but food cannot be purchased on credit. If a staff member's meal account is positive at the end of the school year, it will be automatically carried over to the next school year. If requested, the balance will be refunded to the account owner. It is the responsibility of the staff member to monitor his/her account balance. Administrators will have authority and discretion to charge meals or items for guests, staff and/or students on a case-by-case basis, as long as the debt does not go beyond \$20.00.

Bad Debt Transfer

Meal debt may not be carried over year to year by students. The food service operation must be reimbursed by another fund on an annual basis; at which point the meal debt belongs to the school district. The school board may authorize a transfer from the general fund to the lunch program to cover the bad debt at the end of the school year, and to put any subsequently recovered funds received by the district back into the general fund.

*See Meal Charging Guidance NH Department of Education 2012, and OMB CIRCULAR A-87 (REVISED 05/10/04) at http://www.whitehouse.gov/sites/default/files/omb/assets/agencyinformation_circulars_pdf/a87_2004.pdf

Timberlane Regional School District	Policy Code: DO-R
Adopted: 12-04-13	Page 1 of 1

FOOD SERVICE MEAL ACCOUNT BALANCES

Payment is expected no later than when the meal is served and can be made by using the online payment system that is available on the district website. Fees associated with the use of this online system shall be borne by the depositor. Meals may also be paid for at the time of purchase with cash or personal check.

School administrators are authorized to monitor students who maintain negative balances. If a student's account balance is in deficit of \$20.00 or more, the school will contact the student's parents/guardians. Repeated or consistent negative balances may result in a parent/guardian meeting with school administration. A "Free and Reduced Price School Meals Family Application" will be offered to the parent / guardian. If a negative balance continues with no payments, the district may involve a collection agency in the process.

Negative Balances of \$20.00 or more

Students will not be allowed to carry a negative balance of \$20.00 or more on their student lunch account.

High school students who have a negative balance of \$20.00 or more will not be able to receive a meal unless they have cash to pay for a meal.

Elementary and Middle school students, who have a negative balance of \$20.00 or more, will be allowed to receive the standard qualified meal, but will not be allowed to purchase a la carte items without cash. After 2 attempts of trying to recover the debt from parents/guardians, the administration is authorized to shut off meal charging privileges to elementary and middle school students, and the parents/guardians must provide a bagged lunch from home.

The school administration may contact the child welfare authority in cases where child neglect is suspected due to parents/guardians not providing their child with a lunch.

In the event that a student's meal account is \$20.00 or more in the negative, and attempts to recover the bad debt from the parent/guardian are unsuccessful, the district may use the following actions to collect the bad debt. Actions include but are not limited to: prohibiting the student from purchasing meals, or extra a la carte items, prohibiting a student from participating in graduation activities, withholding a student's diploma, hiring a collection agency, setting up a payment plan, and using small claims court to collect the bad debt. In these cases, parents/guardians will be notified by mail as to the action the district will take.

Administrators will have authority and discretion to charge meals or items for guests, staff and/or students on a case-by-case basis, as long as the debt does not go beyond \$20.00.
