Dear Danville Families,

It is an honor and privilege to be your principal. I have been in education for the past eighteen years serving as a paraprofessional, fourth and fifth grade classroom teacher, assistant principal, and principal. I am thrilled to return to the Timberlane Regional School District. From 2008-2014, I served as the Assistant Principal/Curriculum Coordinator at Atkinson Academy. I feel these experiences will serve this community well.

My first priority is getting to know the staff, students, and families as soon as possible. And I plan to meet with other community stakeholders in the near future. I have a very simple philosophy that has served me well over the years - "Do what is best for kids." Relationships are important to me and you will see that right away. Don't be surprised if I greet you at the door, drop-off/pick-up line, hallway, and classrooms. I will work hard to be as visible and involved as I can.

Finally, I wanted to share some background information so you can get to know me a little better. I grew up in central Illinois, but my wife and I have lived in New Hampshire since 2001. All of my teaching and school leadership preparation was completed at the University of New Hampshire. Currently, I live in Salem, New Hampshire and I am the proud parent of four children. My only daughter will be a high school senior and my three sons will be in ninth grade, sixth grade, and first grade, respectively. Outside of school, I enjoy reading, hiking, and watching New England sports teams when time allows.

I look forward to meeting you soon.

Sincerely,

Chris Snyder  
Principal
