

Timberlane Regional High School

Senior Portrait Yearbook Submissions

Senior Portraits are due **October 16, 2020.**

If you cannot meet this deadline, please speak with the yearbook advisors as soon as possible.

- Geskus Photography is the school's contracted photographer, and only photos taken through Geskus are guaranteed to be published in the yearbook. As a convenience, Geskus will submit your chosen photo to the yearbook staff. Using Geskus is free of charge, and there is no sitting fee for the appointment. You are not obligated to purchase photos from Geskus. While appointments should be made prior to late September in order to have your portrait submitted on or before the deadline, to make an appointment call 1.800.948.1120.
- Students may submit portraits taken by other photographers or submit a personal photo, although, *while every effort will be made to include these types of photos, because such submissions may not be in a standard format, may have problems in compatibility, and/or may require special efforts for tracking, we cannot guarantee they will be included.* If you are submitting a photo taken by a photographer other than Geskus, please be sure to follow these requirements:
 - **The portrait must be a head shot** (*include head and upper torso*). Full body pictures will be cropped to meet this regulation. Also, horizontal poses do not make for good selections for the yearbook as they may not look as intended when cropped.
 - **Props are not allowed**, e.g., musical instruments, athletic equipment/gear, pets, cars and etc.
 - **TRHS Dress Code must be followed**, e.g., no hats, sleeveless shirts, revealing tops, etc.
 - Students must submit a digital photo. The photo must be in either JPEG format, **3 mega pixel resolution or better**, and have standard photo aspect ratio, e.g., 5in. x 7in.
 - **If you have photographer specific questions**, please contact Marie Coye (marie.coye@timberlane.net) or Beth Sanborn (elizabeth.sanborn@timberlane.net)
- Photos will be submitted using a google form. (<https://forms.gle/TuawvxqDLDzJrhWz9>)
- Please submit only one portrait, we cannot accept multiple pictures of the same student.
- Photos will be reviewed and approved by administration. You will be contacted if your photo is not approved.
