

Dear Parent

SNHU in the High School is a dual enrollment program between Southern New Hampshire University and various High Schools. This program allows qualified high school students (sophomores, juniors or seniors) the opportunity to earn **early college credit** while still in high school. Students who enroll and successfully complete courses offered are entitled to receive three (3) University credits per course and one (1) credit for labs, where appropriate. The courses being offered at the various high schools can be found on our website at www.snhu.edu/dual.

You are receiving this letter because your son/daughter is enrolled in one (or more) classes offering the opportunity to earn early college credit. We encourage you to discuss this opportunity with your son or daughter and encourage him or her to take advantage of this special program. Students who choose to participate make the commitment to be enrolled as non-matriculating students at SNHU where earned credits will be reported on a University transcript.

The cost to take advantage of the dual enrollment option is \$100.00 per 3 credit course and \$25.00 per lab (if applicable), payable to SNHU. For additional information, current listing of courses, and official transcript requests, visit our website listed above.

Should you have any questions regarding this program feel free to contact me at 668-2211 extension 2141 or email me at p.sthilaire@snhu.edu

Sincerely,

Pauline St. Hilaire
Director for Dual Enrollment
SNHU in the High School
603-668-2211 extension 2141

NOTE: Completed applications and fees must be turned into the high school teacher by the given deadline. At the conclusion of the course, student grades are recorded on official SNHU transcripts. Official transcripts can be requested by students only. The process to request transcripts can be found on our website at www.snhu.edu/dual under the 'transcript request' tab.
