Welcome Class of 2034!

Philosophy

The Timberlane Regional School District is committed to the development of skills in the core areas of English Language Arts, Mathematics, Science, Social Studies, and Social Emotional Learning. Our Kindergarten teachers administer programming based on TRSD aligned PK-12 curriculum. Highly qualified teachers employ age appropriate methodologies and activities that highlight hands-on, discovery learning and active engagement.

TRSD Kindergarten Options

Option 1: Full-Day Kindergarten

TRSD offers tuition based* Full-Day Kindergarten. Students receive daily instruction in core content areas, participate in lunch and recess, and attend one Unified Art per day. Transportation for Full-Day Kindergarten is provided to and from school.

Option 2: Half-Day Kindergarten

TRSD offers free Half-Day Kindergarten in a morning or afternoon session. Students receive daily instruction in core content areas. The District provides **one way** transportation for half-day sessions (to school in the a.m., from school in the p.m.). Parents are responsible for all mid-day transportation.

Please contact your home school for sessions available in the 21-22 school year.

Full-day Kindergarten classes will be limited to 20 students.

If the number of applications exceeds the maximum number of students for a class, a lottery will be held to determine placement. Families will be notified if a lottery needs to take place.

Full Day Tuition

* The total annual cost is \$4500. The cost may be paid in full or it may be paid in 10 monthly payments of \$450 each beginning August 1, 2021.

Half-Day Kindergarten is tuition free
