Good Morning Timberlane High School Families,

We would like to provide you with the most up to date information regarding the opening of school next week.

Tuesday 9/8, originally scheduled to be a hybrid day for cohort 1, will now be a fully remote day for both cohorts and will attend their “B” classes. The class times for the day should follow the regular school day schedule which is attached for your review.

Wednesday 9/9, will remain a fully remote day and will follow the 8 block schedule which is also attached.

Thursday 9/10, will remain a hybrid day with cohort 2 in school and cohort 1 remote, and will follow the “A” day schedule.

Friday 9/11, will remain a hybrid day with cohort 2 in school and cohort 1 remote, and will follow the “B” day schedule.

Important to note, students have received an invitation to join their google classrooms and will need to accept those prior to Tuesday. If your student has not received their invitation to join, please e-mail the teacher directly.

Please remember that when your students’ cohort is to attend school, they are to be screened at home and will need an approved mask upon entering the building.

We certainly appreciate your cooperation and we are eager and excited to get our students back in the building!

Sincerely,

TRHS Administration
